

## Home Plan

An activity my child and I like to do together:

---

Try using one of the parts of the interaction cycle during this activity with your child.

- If all parts are new, start with Watch & Listen
- If you are familiar with all four parts, pick one to focus on.

I will try to use the following part of the interaction cycle with my child the next time we do this activity together.

- |  |  |
|--|--|
| <input type="checkbox"/> Watch & Listen        | <input type="checkbox"/> Pause & Wait    |
| <input type="checkbox"/> Play Your Child's Way | <input type="checkbox"/> Give A Response |

Refer to your handout on the interaction to help you choose one strategy to focus on specifically within that part of the cycle:

## Report Back

I tried the following strategy with my child:

When I tried this, I noticed that my child...

Next time I would like to.....

I hope this will help me (or my child) to....
