HOME CARE

Our dedicated caregivers are committed to helping our clients remain in the comfort and well-being of their own home.

Our team of nurses and personal support aides can provide assistance with medication administration, dressing changes, activities of daily living, meal preparation, companionship and much more.

HOSPITAL

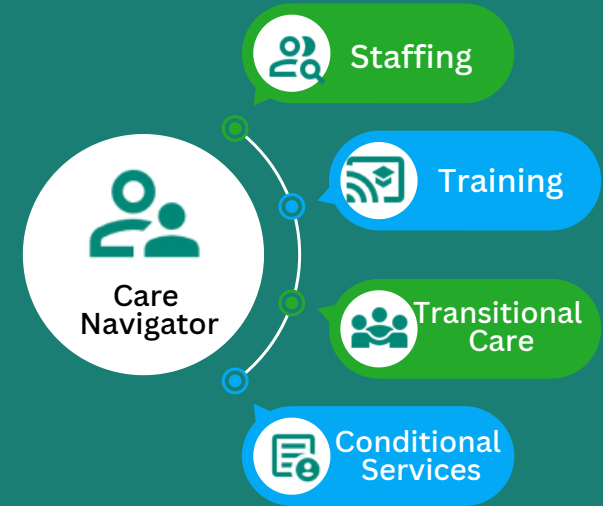

Helping Hands Healthcare has been an industry leader in healthcare staffing since 1997. Our team of experienced and specialized healthcare providers are trained to work and deliver high quality patient care in diverse clinical environments. We also provide support at care transitions, with an adaptable hospital to home program.

We provide staff for:

- ICU, ED
- OR, PACU
- OB, Medical/Surgical
- Mental Health
- Rehabilitation & Complex Continuing Care

LONG-TERM CARE & RETIREMENT HOMES

The Helping Hand Program

The Helping Hand Program is a high quality customized solution for long-term care & retirement homes. It's a unique and fully customized program developed to suit the specific requirements of your home.
