Bespoke Family Care

Beyond the PSW - A "Family Office" Approach to Home Care in Mississauga

At Nurse Next Door Mississauga, we believe care should go beyond the expected. That's why we offer comprehensive support for families, acting as a trusted partner—not just for health and personal care, but for every aspect of life at home. From financial coordination to emotional well-being, our bespoke services give families the peace of mind they deserve, knowing every detail is thoughtfully managed.

How We Make a Difference for Families:

Transportation & Outings

- Grocery trips, casino visits, and social outings for connection and joy.
- Compassionate accompaniment wherever life takes you.

Financial & Administrative Support

- Assistance with taxes, financial planning, and bill payments.
- Support with Disability Tax Credits (DTC) and Powers of Attorney (POA).

Home & Lifestyle Management

- Spring cleaning and home organization with our trusted Pink Daisy approach.
- Gardening support and home maintenance/repairs to keep home feeling like home.

Healthcare Navigation & Advocacy

- Bringing hospital-level care to the comfort of home with partnerships in foot care, physio, and more.
- Advocacy in healthcare settings and long-term care, ensuring loved ones' voices are heard.
- Wellness visits and 24-hour on-call support for peace of mind.

Family Support & Peace of Mind

- Vacation leaves covered—we're here when you can't be.
- Virtual family meetings and calendar coordination for seamless communication.
- Holistic well-being support: dementia care, social engagement, mental health referrals.

for Your Family**

Client Voices:

"Your service has given me peace of mind and taken a load off my plate knowing that I have someone to assist my parents when I'm unable to. The staff we have met so far, especially Melanie and Andrew, have been well received by my parents and has put their minds at ease. I can't thank you enough."
— Paul A

"The coordinator (Melanie Ballah) was GREAT! She listened, coordinated with other services who were involved, and accommodated our needs. Her compassion and hard work is appreciated!"
— Richard D
