

Community & Home Assistance Program (CHAP): Home Help Services

Effective January 1, 2022

- ☛ Home Help is a broker service, operated by CHAP, which matches clients to appropriately skilled Home Helpers, based on client-identified need and goals.
- ☛ Home Helpers are Independent Resource Contractors that are screened by the Home Help Service Coordinator. Screening includes a criminal background check, verification of professional credentials, and professional reference checks.
- ☛ Payment is required upon completion of work and payable directly to your Home Helper. Receipts for services are provided by your Home Helper.

General Services (\$20.00+/hour, 2-hour minimum charge):

Fees are dependent on the scope of work and determined at a no-charge in-home assessment.
